

Phase 2 Reopening Spectator Guideline Summary

Point Edward Memorial Arena

The Village of Point Edward is happy to announce that the Point Edward Memorial Arena reopening plan will proceed to Stage 2 commencing **Sunday, November 1, 2020**.

Stage 2 permits spectators to begin utilizing our facility once again. As has been stressed since the reopening, the complete cooperation of all our arena users, including parents, is critical to the continued operation of the facility and the continued utilization by our figure skating and hockey playing youth.

The following list highlights the rules in place for spectators as we move into Stage 2 reopening. Please ensure you follow the rules every time you visit the facility.

NOTE: Spectators failing to adhere to the rules and guidelines may be suspended or banned from attending the arena.

- Anyone entering the arena must do a self-assessment prior to arriving. If you have any COVID symptoms, **please stay home**.
- All arena users are expected to use hand sanitizer upon entering the facility. Dispensers are provided throughout the building.
- As per Village of Point Edward by-law 31 of 2020, and the Province of Ontario O.Reg 364/20, face coverings are to be worn by all members of the public two and over while in the facility.
- Physical distancing rules remain in affect. Ensure you always maintain at least **2 metres/6 feet** between other arena users.
- Only **25** spectators are permitted in the arena during any given ice rental. No exceptions.
- Only **1** spectator permitted per on-ice user during any given ice rental. No exceptions. This includes situations where parents are separated. Unfortunately, parents are not permitted to bring additional children in the arena with them.
- Seating and standing spots are identified with a sticker. **Spectators must sit or stand on one of the identified spots ONLY**. No exceptions. The northwest and west seating areas of the arena are not in use currently. The east and northeast seating areas are for spectator use.
- Parents/guardians that are assisting an ice user with equipment must proceed to the seating areas immediately after dressing the child. Waiting with your child in the change room is not permitted.
- There will be **zero tolerance** for any congregating, gathering or socializing of spectators. Anyone found breaking this rule will be immediately banned from the facility.
- Washroom facilities are available in the concession area lobby.
- Spectator areas will **not** be disinfected between each use. Always follow proper hygiene procedures.

Total cooperation is needed by all our users to ensure everyone is safe and we have continued use of the facility going forward. If spectators are found to be abusing the rules outlined above, the Village of Point Edward may remove spectator privileges.
