- Liz has been talking to other centers and OHF rep. Looks like we will need to complete registration on the HCR platform and may not be able to use our current registration process. Derek Jackson will investigate how it could work for us
- HCR does allow for credit card payment – cost for credit card will be absorbed by the player on their fees, which may be an attractive option for some folks
- We will need to investigate further to get a better understanding
- Need to look at early April to open registration
- HCR does have a “store feature” where we could possibly use list our old jerseys and old swag

4. Equipment

- Jersey inventory – we need to ensure we get all game and practice jerseys back then all back from players who might have them in their bag and be unaware and especially, players aging out
